What is TALL Group?

TALL Group stands for turn-taking, attention, listening and learning.

It's designed to use songs, games and activities to develop children's skills within a small group.

TALL Group runs for 6 weeks with one session a week. Each session will last around 20 minutes and occurs during your child's regular session at Nursery.

At the end of the six weeks your child will receive their TALL Group certificate and their evaluation form so you can see the wonderful progress they've made during TALL Group!

At Amberley, TALL Group is run by the SENCO (who you can find on the staff board!)

What skills does TALL Group build on?

Who can I talk to about TALL Group?

You can talk to any member of staff about TALL Group and they will pass on your questions to the SENCO. You can also ask to talk directly to / email the SENCO.

If your child is not currently a part of TALL Group and you would like for them to go on the waiting list then please do talk to any member of staff!

Please note that as TALL Group is run only by the SENCO we are limited in what days it is able to run priority is also given to the school leavers and children with a greater need to attend.
